

CORRECTION

Open Access

Correction: Satisfactory immediate spontaneous correction may not mean satisfactory final results for moderate TL/L curves after selective thoracic fusion in AIS patients

Yanbin Zhang¹, Jing Bai², Bin Xiao^{1*}, Jianguo Zhang³, Da He¹, Yonggang Xing¹ and Bo Liu¹

Correction: *BMC Musculoskelet Disord* 24, 543 (2023)
<https://doi.org/10.1186/s12891-023-06591-8>

Following publication of the original article [1], the authors would like to delete the initial of Yonggang Xing (YGX) in the statement on the lower left quadrante of the first page of the manuscript. The line should read: YBZ and JB contributed equally and should be considered as co-first authors.

The original article [1] has been updated.
