# Correction to: Patterns of pain location in music students: a cluster analysis

Cinzia Cruder<sup>1,2,3\*</sup>, Marco Barbero<sup>1</sup>, Emiliano Soldini<sup>4</sup> and Nigel Gleeson<sup>2</sup>

**Correction to: BMC Musculoskelet Disord 22, 184 (2021)**  
<https://doi.org/10.1186/s12891-021-04046-6>

Following the publication of the original article [1] an error was introduced into Fig. 1 during production, such that the numbers of participants reporting MSK pain in each anatomical area were not visible. The article has now been updated and the correct version of the figure is included in the online PDF and HTML.

The publisher apologises for this error.

## Ready to submit your research? Choose BMC and benefit from:

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

At BMC, research is always in progress.
